## Plan for In-Person Services Starting May 24th

---

### What we are doing

Providing a **touch-free service**

Providing **hand sanitizer at the door and stations within the sanctuary**

**Disinfecting high contact surface areas**, doorknobs, tables, and common areas between each service

Providing **offering baskets at the doors** when you exit the Sanctuary

**Ventilating** by opening doors between services

Limiting restrooms to **one person at a time**

### What we encourage from you

Respect people and use **social-distancing practices**

Use **non-contact greeting methods**

Bring and wear a **mask inside the building**, limited supply available if needed

Sit with those **who live in your household**

Sit staggered so that you are **at least 6 feet from those beside, in front or behind you** (4 chairs apart from another family unit)

Partake in **communion at home with your family**

At the end of service **exit the building and not gather in the foyer**

---

### Sunday Morning Services
